

North Carolina Community College Transfer Guide into the College of Health & Human Services

Transfer Students completing AA or AS Degrees: Students with a completed AA/AS degree will receive a General Education exemption for the Liberal Studies sequence; however, this exemption does not cover all General Education requirements. Some CHHS majors may require additional Math and Science coursework beyond what is required within AA/AS degrees. Incorporate suggested courses below into AA/AS degrees for the most seamless transfer.

Prospective Public Health Sciences Majors:

Transfer students meeting general transfer admissions requirements will begin at UNC Charlotte as Pre-Public Health students until they qualify for the upper-division. Students will apply to the upper-division once eligible to do so, however the upper division is competitive and not all who apply can be accommodated. Students will apply to the upper division once meeting the requirements below:

- Attain junior standing (complete 60 semester hours of credit)
- Students must earn at least a minimum cumulative GPA of 2.5
- Complete the following progression courses at a NC Community College **or** UNC Charlotte with a minimum grade of C in each course:

NC Community College Course	UNC Charlotte Course Equivalency
HEA 110: Personal Health/Wellness	HLTH 2101: Healthy Lifestyles
BIO 110 or 111: Principles of Biology w/ Lab or General Biology w/Lab	BIOL 1110/L: Principles of Biology I w/ Lab
MAT 152: Statistical Methods I	STAT 1222: Introduction to Statistics
MAT 143 or 171: Quantitative Literacy or College Algebra	2 nd General Education Math
Several Options Available. Please See General Education Transfer Guide	Science Without a Lab
Several Options Available. Please See General Education Transfer Guide	Social Science
No Equivalent Course	HLTH 2102: Foundations of Public Health
No Equivalent Course	HLTH 2103: Foundations of Global Health

- Best for students to transfer for in Spring or Summer 1 term in order to complete prerequisite courses prior to upper-division starting in Fall.
- Most HLTH Prerequisite courses can be taken at UNC Charlotte in summer semesters
- Upper-Division applications are reviewed in early February- students planning to apply to the upper-division at the same time as transferring, should contact the CHHS Advising Center.

Prospective Health Systems Management Majors:

Transfer students must meet general transfer admissions requirements to be admissible to this major. To progress in the Health Systems Management major, students must first:

- Attain 2.0 or higher GPA in all college courses
- Successfully complete HSMT 2101 & HSMT 2103 with grade C or better (students must have sophomore standing/30+ credit hours to take these 2 courses at UNC Charlotte).

Suggested courses:

NC Community College Course	UNC Charlotte Course Equivalency
BIO 110 or 111: Principles of Biology w/ Lab or General Biology w/Lab	BIOL 1110/L: Principles of Biology I w/ Lab
MAT 152: Statistical Methods I	STAT 1222: Introduction to Statistics
No Equivalent Course	HSMT 2101: Intro to Health Professions
No Equivalent Course	HSMT 2103: Intro to Human Resources Management

Prospective Exercise Science Majors

Transfer students meeting general transfer admissions requirements will begin at UNC Charlotte as Pre-Kinesiology students until they qualify for the upper-division. Students will apply to the upper-division once eligible to do so, however the upper division is competitive and not all who apply can be accommodated. Students will apply to the upper division once meeting the requirements below

- Complete 36 credit hours with a minimum of GPA of 2.5
- Complete the following progression courses at a NC Community College **or** UNC Charlotte with a minimum grade of C in each course:

NC Community College Course	UNC Charlotte Course Equivalency
*CHM 151: General Chemistry I w/ Lab	CHEM 1251/L: General Chemistry I with Lab
MAT 152: Statistical Methods I	STAT 1222: Introduction to Statistics
MAT 143 or 171: Quantitative Literacy or College Algebra	2 nd General Education Math
BIO 165/168: Anatomy & Physiology I w/ Lab	KNES 2168/L: Human Anatomy & Phys I with Lab
BIO 166/169: Anatomy & Physiology II w/ Lab	KNES 2169/L: Human Anatomy & Phys II with Lab
No Equivalent Course	KNES 2150: Introduction to Kinesiology

**Requires College Algebra as a prerequisite if taken at UNC Charlotte*

- Most KNES prerequisite courses can be completed at UNC Charlotte during summer semesters
- A complete upper-division application includes: written personal statement, Dean of Students Conduct Check, and completed application forms
- Upper-division admits students in Fall and Spring semesters

Prospective Social Work Majors:

Transfer students meeting general transfer admissions requirements will begin at UNC Charlotte as Pre-Social Work students until they qualify for the upper-division. Students will apply to the upper-division once eligible to do so, however the upper division is competitive and not all who apply can be accommodated. Students will apply to the upper division once meeting the requirements below:

- Attain junior standing (complete 60 semester hours of credit) with a minimum cumulative GPA of 2.5
- Complete an AA/AS degree prior to transferring to earn General Education exemption **OR** complete all LBST courses, writing intensive course, as well as other elective and specific population courses as required by the department
- Complete the following progression courses at a NC Community College **or** UNC Charlotte with a minimum grade of C in each course:

NC Community College Course	UNC Charlotte Course Equivalency
BIO 110 or 111: Principles of Biology w/ Lab or General Biology w/Lab	BIOL 1110/L: Principles of Biology I w/ Lab
SOC 210: Introduction to Sociology	SOCY 1101: Intro to Sociology
MAT 152: Statistical Methods I	STAT 1222: Introduction to Statistics
MAT 143 or 171: Quantitative Literacy or College Algebra	2 nd General Education Math
PSY 150: General Psychology	PSYC 1101: General Psychology
POL 120: American Government	POLS 1110: American Politics
Select 2: ANT 210, PSY 243, PSY 246, REL 111, REL 112, REL 221	Population Group Courses
*HSE 110: Introduction to Human Services	SOWK 1101: The Field of Social Work
*PSY 241: Developmental Psychology	SOWK 2182: Human Behavior & Social Environ. I
*SOC 220: Social Problems	SOWK 2183: Human Behavior & Social Environ. II
*SOWK equivalent credit will be added by department after admission	

- Best for students to transfer for a Spring or Summer 1 term in order to complete prerequisite courses prior to upper-division starting in Fall. Prerequisite courses can be taken at UNC Charlotte in summer semesters
