FINISH AT **UNC CHARLOTTE**

FINISH YOUR JOURNEY

You've already invested so much time into getting your degree. As a former undergraduate student, the 49er Finish Program offers you a unique experience to commit to finishing this goal.

If you meet the requirements for the 49er Finish Program, simply check that box on your readmission application to submit without paying an application fee.

You will be eligible to register for classes with the help of the Office of Adult Students and Extended Services (OASES) and the Office of the Bursar, understanding that your prior balance must be paid before term charges are assessed. Contact bursar@charlotte.edu to make your payment arrangements.
