

GET STARTED ON YOUR NEXT STEPS

2026 - 2027

ENROLLMENT **TO-DO LIST**

- ☐ **Tell us your plans and pay your enrollment deposit**
Let us know you are joining Niner Nation! Submit your Intent to Enroll in your Future 49er Portal and pay the \$100 enrollment deposit.
- ☐ **Activate your NinerNET account**
Set up your NinerNET to access important resources, including your MyCharlotte student account, University email, housing application, NinerScholars Portal and more!
- ☐ **Apply for financial aid and scholarships**
Submit your FAFSA and add Charlotte's school code (002975) on the application. View and accept your aid offer, when available, in your MyCharlotte account. Match with and apply for scholarships that you are eligible for by creating a NinerScholars Portal.
- ☐ **Determine your housing plans***
Living on campus allows you to build a foundation for success at Charlotte.
 - **First-year students** are required to live on campus. Apply at housing.charlotte.edu. Some exemptions are available based on specific criteria.
 - **Transfer student** housing is limited on campus. Students interested in on-campus living should submit a housing application as soon as possible! Explore off-campus options at offcampushousing.charlotte.edu.
- ☐ **Reserve your New Student Orientation session***
New Student Orientation helps you transition to Niner Nation and make connections ahead of the academic year. Reserve your session and pay the fee in your Future 49er Portal.
- ☐ **Submit important documentation**
Make sure to submit your final high school and/or college transcripts; send official AP, IB, and/or CLEP credit test scores; and provide your residency certification number (in-state students only) to Undergraduate Admissions.
- ☐ **Upload immunization records and submit optional health insurance waiver**
Incoming students are required to submit immunization records and waive or enroll in health insurance. Submit your immunization records to the Student Health Center before attending orientation and review options for insurance on the Student Health Center website.
- ☐ **Review transfer credit resources and math placement information**
Explore how college credit completed at another institution or by examination may transfer with our Transfer Credit Advisor and Credit Test equivalency resources. Familiarize yourself with math placement information before registering for your classes.
- ☐ **Report any changes to Undergraduate Admissions**
If you have any changes to your major, address, schedule or disciplinary actions, report those to Undergraduate Admissions in writing.

*Enrollment deposit required
