

**YOUR PATHWAY
TO CHARLOTTE**

CHARLOTTE IS WAITING FOR YOU!

We want to congratulate you on your admission to UNC Charlotte for the Spring 2027 semester. To help stay on track towards your degree and to make the most of your time before starting classes at Charlotte, you can choose one of two options for the fall semester: connect with Charlotte advisors while taking courses at your local community college or simply join us in the spring after the fall semester ends. Whatever path you choose, we can't wait to welcome you home next spring.

IT'S YOUR FUTURE. FIND YOUR FIT.

CONNECT WITH CHARLOTTE ADVISORS

If you choose our Advising Pathway for spring admission, you will have the opportunity to engage with our Transfer Center through advising webinars and one on one meetings with the Transfer team. They'll guide you through the classes to take at your community college to make sure your credits will transfer to Charlotte for your intended major. With this pathway, you have the flexibility to take as many or as few courses as you'd like during the fall, and our Transfer team will be there each step of the way.

FORGE YOUR OWN PATH

We understand that you might still be searching for a different option for spring admission and we encourage you to follow your path during the fall. Whether you choose to take classes independently, travel abroad, work or volunteer, Charlotte will be here waiting for you in the spring.

Are you ready to let us know how
you will join us in the spring?

Let us know by completing the
form in your **Future 49er Portal!**

**THE DIFFERENCE IS
CHARLOTTE.**

UNDERGRADUATE ADMISSIONS

9201 University City Blvd, Charlotte, NC 28223
704-687-5507 / admissions@charlotte.edu

ENROLLMENT **TO-DO LIST**

TO DO NOW

Let us know your pathway and pay your enrollment deposit

Submit your Intent to Enroll in your Future 49er Portal to indicate your chosen pathway and pay your \$100 nonrefundable enrollment deposit.

Activate your NinerNET account

Set up your NinerNET to access important resources, including your MyCharlotte student account, University email and more!

Apply for financial aid

For spring financial aid, submit your 2026-2027 FAFSA and add Charlotte's school code (002975) on the application. View and accept your aid offer, when available, in your MyCharlotte account.

TO DO THIS FALL

*we'll send email reminders
about these tasks in the Fall!*

Determine your housing plans*

On-campus housing for Spring 2027 may be limited. We encourage you to explore off-campus options at offcampushousing.charlotte.edu.

Reserve your New Student Orientation session*

New Student Orientation helps you transition to Niner Nation and make connections ahead of the academic year. Reserve your session and pay the fee in your Future 49er Portal.

Submit important documentation

Make sure to submit your final high school and/or college transcripts; send official AP, IB, and/or CLEP credit test scores; and provide your residency certification number to Undergraduate Admissions.

Upload immunization records and submit optional health insurance waiver

Incoming students are required to submit immunization records and waive or enroll in health insurance. Submit your immunization records to the Student Health Center before attending orientation and review options for insurance on the Student Health Center website.

Review transfer credit resources and math placement information

Explore how college credit completed at another institution or by examination may transfer with our Transfer Credit Advisor and Credit Test equivalency resources. Familiarize yourself with math placement information before registering for your classes.

Report any changes to Undergraduate Admissions

If you have any changes to your major, address, schedule or disciplinary actions, report those to Undergraduate Admissions in writing.

**Enrollment deposit required*
