Students seeking K-12 Dance Education Licensure should plan to declare the Concentration in Dance Education by the end of the first semester of Sophomore year. A later decision may result in a delayed graduation date.					
The Department of Dance formally reviews students in their third semester as a dance major. Satisfactory completion of this review is required for continued status as a dance major.					
After submitting the Application to Teacher Education to the College of Education and completing specific Dance coursework, the Concentration in Dance Education is added and students progress with upper-level coursework.
