

Math B.A.

North Carolina Community College classes are listed below in left column. The UNC Charlotte equivalent course is listed in the column next to the NCCCS courses.

The University of North Carolina at Charlotte strongly recommends students complete their Associate degree prior to transferring to UNC Charlotte. Pathways are structured for students who have completed all requirements for their Associate degree and qualify for the CAA.

Please Note: BDP's are developed based on the approved curriculum for each catalog year. Based on admitted term of entry and the curriculum posted for the catalog year, programs of study are subject to change.

UNC Charlotte Baccalaureate Degree Plans
math.charlotte.edu

Additional Requirements/ Special Note for Admission to the upper division in major:	If not transferring with a completed associate degree, foreign language courses will be required for Liberal Arts and Sciences based majors at UNC Charlotte. Calculus III before transferring with associates degree is recommended, if possible.
